**Time to start Cooking!!!**

**The first session will be on 1/28 at the meeting– we will cover **Backpacking Food!****

**What to bring: your backpack, packed and ready for a weekend hiking adventure including sleeping bag, pad, mess kit, 2 full bottles of water, clothing needed for a weekend trek including rain gear and camp shoes, flashlight, extra batteries and whatever other thing-a-ma-jigs you think you need to carry for the weekend. No—we are not yet going on a backpacking hike—that will come later... but we are going to see just how much stuff you can cram in along with food! Oh yes, and a tent!**

**We will also be sampling some food.....**

**If you have a backpacking stove, please bring to show and share.**
